

**BIR WORLD IMAGING CONGRESS
VIRTUAL EVENT
CPD: 13 CREDITS**

PHILIPS

**SIEMENS
Healthineers** 

Friday 24 February

TELERADIOLOGY

09:00 **President's welcome and introduction**

09:05 **Welcome and introduction**

09:10 **The case for teleradiology: Why we need it**

Dr Dan Rose, Chair of the Global Medical Council, Everlight Radiology

EverlightRadiology

09:30 **A day in the life of a teleradiologist: Offshoring from India and a full-time career in teleradiology – can it work?**

Dr Raju Kalidindi, CEO and Medical Director, Apollo Radiology International

09:50 **A day in the life of a teleradiologist: UK perspective**

Speaker to be confirmed, Hexarad

10:10 **Panel discussion**

10:40 **Break**

10:55 **How to make the best use of teleradiology**

Speaker to be confirmed

11:15 **Peer review in teleradiology – managing performance or improving care?**

Dr Gareth Davies, UK Medical Director and Head of Body Section Europe, Telemedicine Clinic

11:35 **What is the impact of teleradiology and its efficiencies**

Dr Ashish Bhagat, Co-Founder, Medical Director, and Clinical Advisory Board, Vital Radiology

11:55 **Teleradiology in mass casualty incidents, is this possible?**

Dr Daniel West, Everlight Radiology

EverlightRadiology

12:15 **Panel discussion**

12:45 **Break**

MASS CASUALTY / TRAUMA

13:15 **Mass casualty incident planning: Is your radiology department ready? Learning from the experience**

Dr Elizabeth Dick, Consultant Radiologist, Imperial College NHS Foundation Trust

13:35 **Imaging of blast, gunshot injuries and radiology in war zones: Afghanistan**

Dr Philip Coates, Consultant Radiologist, University Hospitals Plymouth NHS Trust

13:55 **Imaging of blast, gunshot injuries and radiology in war zones: Ukraine**

Dr Yurii Antonenko, Radiologist, Kyiv City Clinical Hospital

14:15 **Roles and responsibility of the imaging community in the event of nuclear and radiation attacks**

Colonel (Dr) Mohammad Naeem, Director, Armed Forces Radiobiology Research Institute

14:35 **Interesting trauma cases from around the world**

Professor Elizabeth Loney, RCR/BSHNI Travelling Professor and Associate Medical Director and Consultant Radiologist, Calderdale and Huddersfield NHS Foundation Trust; Professor Rammurti Susarla, Dean, Nizam's Institute of Medical Sciences; Dr John Vedelago, Medical Director everlearning, Everlight Radiology

15:20 **Panel discussion**

15:50 **Break**

16:05 **Key lessons learnt by radiology from the COVID-19 pandemic**

Professor Dorith Shaham, Israel S. Wechsler Chair in Medical Education, Unit Director of CT and Cardiothoracic Imaging, and Chair of the Clinical Teaching Committee, Hadassah Medical Center and Hebrew University Faculty of Medicine; Dr Hiroaki Sigiura, National Defence Medical College, Japan; Dr Stanzin, Assistant Professor, All India Institute of Medical Sciences

16:50 **Panel discussion**

17:05 **Close of day**

Saturday 25 February

IMAGING ACROSS WORLD ECONOMIES

09:00	President's welcome and introduction
09:05	Welcome and introduction
09:10	Radiology in the era of value-based healthcare Professor Adrian Brady, President, European Society of Radiology
09:30	Cancer imaging in Brazil — cost and facilities Dr Rubens Chojniak, Head of Imaging, Brazilian College of Radiology
09:50	Demand and supply of imaging services in India Dr Pushpraj Bhatele, President, Indian Radiological and Imaging Association
10:10	Getting-It-Right-First-Time Speaker to be confirmed
10:30	Panel discussion

10:50 Break

10:55	How to improve access to medical imaging in low- and middle-income countries? Professor Rifat Atun, Professor of Global Health Systems, Harvard T.H. Chan School of Public Health
11:15	Innovation in diagnostic imaging Speaker to be confirmed
11:35	Medical devices and technologies — is there anything that is not possible? Dr Ebrahim Kader, President, Radiological Society of South Africa
11:55	The essence of collaborative working Professor Gerald Antoch, Past-President, German Radiology Society
12:15	Panel discussion

12:35 Break

IMAGING EDUCATION AND TRAINING ACROSS THE WORLD

13:05	Radiology and global health: Interprofessional collaboration in educational initiatives Dr Melissa Davis, Vice Chair of Medical Informatics and Assistant Professor, Department of Radiology and Biomedical Imaging, Yale University; Dr Suzgo Mzumara, Consultant Radiologist and Head of Department, Kamuzu Central Hospital
13:25	Striving for training, research and innovation Professor Avnesh Thakor, Associate Professor of Radiology, Stanford University
13:45	Curriculum and examinations — how to ensure competencies? Dr Sanjay Jeganathan, President, The Royal Australian and New Zealand College of Radiologists
14:05	Radiology training and development in Saudi Arabia Speaker to be confirmed
14:25	Panel discussion

14:45 Break

15:00	Radiology education in Africa: Analysis of results from 13 African countries Dr Bhavya Rehani, Co-Founder and President, Health4TheWorld, and Associate Professor, University of California
15:20	Developing scope of practice of radiographers and technologists Dr Napapong Pongnapang, President, International Society of Radiographers and Radiological Technicians
15:40	Artificial intelligence in low- and middle-income countries: Innovating global health radiology Speaker to be confirmed
16:00	AI medical imaging in China: Now and future Professor Shiyuan Liu, President, Chinese Society of Radiology
16:20	Panel discussion
16:40	Closing remarks

16:45 Close of event
